Dear Jacob,

I have applied for a conditional use for the entertainment license at 1025 N Sherman Avenue.

I plan on hosting small jazz combos and other types of smaller light musical combos. Our capacity is listed at 300. I will cap the capacity for these events at 100 as they will primarily be more listening types of audiences and do not want to be too crowded.

Our current hours of operation are 11AM -11PM. I would stay open til 1AM if we have enough guests to warrant that.

I will be offering a somewhat upscale, lighter fare food menu for these shows.

Please let me know if you have any further questions.

Sincerely,

Craig Spaulding
