Dear committee members,

I am writing to ask if I could please have my license review referred to your meeting in September. I am still waiting for one issue to finalize, and there are additional meetings and counseling that I will attend. I sincerely apologize for dragging this matter out as it was my intention to have this resolved by now; but delays keep popping up that I was not in control of. It is not my intention to waste your time, I would simply just prefer to be as prepared as possible before trying to finalize this. Thank you all for any consideration that you could give me in this request to have my appearance moved to September.

Thank You,
Brian T. Wade
