Mr. Parks

I own the property directly behind Grampa's Pizzeria (1374 Williamson).

I have no objection to the current outdoor seating proposal and I appreciate Mr. Altshcul's inclusion of a sound barrier to the rear of the deck he wants to build.

I do have a question, however: Is there anything in whatever codes govern property use that would prevent Grampa's from someday wanting to expand the deck on the side so that it ran around the back of the restaurant? A deck to the rear of the restaurant is something with which I would have significant problems.

Thank you.
