Hello Transportation Committee members and Alder Foster.  
I write in support of the Safe Streets Madison agenda item your Feb 23 agenda. I would like you to consider a pedestrian beacon light at Atwood and Waubesa to be included in phase one of the program.

There are a number of amenities along Waubesa that bikers and pedestrians often try to access, including "Hippo" Park, the Goodman Community Center, and the bikepath. Many cars also use Waubesa as a cut through so there is a lot of traffic at that spot. A pedestrian beacon would make for a much safer intersection for all.

Thank you  
Jim
