Hello all,

The Community Development Division would like to invite you to a presentation by the Wisconsin Council on Children and Families on the "Race to Equity: A Baseline Report on the State of Racial Disparities in Dane County" on Wednesday November 20, 2013 from 4:00-5:00 pm at the City of Madison Water Utility Building at 119 E. Olin Ave, Madison. The purpose of this report is to "increase public awareness of the depth and breadth of the racial disparities that differentiate the white and black experience in Dane County". The CDD is inviting all the Division's citizen oversight committees and contracted purchase of service agencies to read the report and hear this important presentation and dialogue.
