Background:

A fare increase was included in the City's 2016 executive budget. This fare increase is intended to:

- Fund a leased bus storage facility for short-term space needs (Metro has applied for a federal grant to build a satellite maintenance facility, which will provide a long-term solution to space needs).
- Expand Metro's Route 17 to provide a quick connection between north and east transfer points on weekends.
- Expand Route 31 to provide additional midday and evening service to the Owl Creek neighborhood.
- Fund additional bus cleaners to improve Metro's overall riding experience.
