I support ITEM 4 in favor of more on-street parking on S. Park St. I am a 22 plus year resident of this neighborhood, and our neighborhood is often neglected to other more trendy and/or glamorous areas of this district. Supporting this long-time, small businesses in this area makes this busy corridor feel more like a neighborhood. I want to do everything to support this district and to support the needs of the long time small businesses that make this neighborhood more livable and familiar. Our small business neighbors are integral to our neighborhood.

Keep on-street parking for item #4.
