Interest on the notes shall be paid by check or draft mailed to such registered owners at their addresses appearing on the registration books.

The notes maturing on or after October 1, 2017 shall be subject to redemption prior to maturity as a whole or in part at the option of the City and upon notice as herein provided, in any order of maturity at the discretion of the City and by lot within a single maturity, on October 1, 2016, and on any date thereafter, at a redemption price equal to 100% of the principal amount thereof to be redeemed plus accrued interest to the redemption date and without premium.

In the event of the redemption, of less than all the notes of like maturity, the aggregate principal amount thereof to be redeemed shall be \$5,000 or an integral multiple thereof, and the note registrar shall assign each note of such maturity a distinctive number for each \$5,000

principal amount of such note and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the principal amount of such notes to be redeemed. The notes to be redeemed shall be the notes to which were assigned the numbers so selected, provided that only so much of the principal amount of each note shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

Notice of the redemption of notes shall be mailed by the note registrar not less than 30 days nor more than 60 days prior to the date fixed for such redemption to the registered owners of notes to be redeemed at their last addresses appearing on said registration books. If there shall be drawn for redemption less than all of a note, the City shall execute and the note registrar shall authenticate and deliver, upon the surrender of such note, without charge to the owner thereof, for the unredeemed balance of the note so surrendered, notes of like maturity and of the denomination of \$5,000 or any integral multiple thereof.

The notes may be initially issued in temporary form and shall be exchanged for definitive printed notes as soon as possible. The temporary notes shall be executed as provided herein and shall be in substantially the form set forth in Section 5 hereof.

**Section 3. Execution and Authentication of Notes.** The notes shall be executed in the name of the City by the manual or facsimile signatures of its Mayor and City Clerk and the corporate seal of the City, or a facsimile thereof, shall be thereunto affixed, impressed or otherwise reproduced thereon.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any notes shall cease to hold such office before the issuance of the notes, such notes shall nevertheless be valid and sufficient for all purposes, the same as if the person whose signature, or a facsimile thereof, appears on such notes had not ceased to hold such office. Any note may be signed, sealed or attested on behalf of the City by any person who, on the date of such act, shall hold the proper office, notwithstanding that at the date of such note such person may not have held such office. No recourse shall be had for the payment of any notes against any officer who executes the notes.

The notes shall bear thereon a certificate of authentication executed manually by the note registrar. No note shall be entitled to any right or benefit under this resolution or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the note registrar.

**Section 4. General Obligations.** The full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the principal of and interest on the notes. The notes shall be direct and general obligations of the City, and the City shall be obligated to levy ad

valorem taxes upon all the taxable property in the City for the payment of the notes and the interest thereon, without limitation as to rate or amount.

**Section 5. Form of Notes.** The notes shall be issued as fully registered notes and shall be in substantially the following form, the blanks to be appropriately completed when the notes are printed:

In like manner, this note may be exchanged for an equal aggregate principal amount of notes of the same maturity and interest rate and of any of such authorized denominations. The City or the Note Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to the transfer or exchange of this note. No other charge shall be made for the privilege of making such transfer or exchange. The City and the Note Registrar may treat and consider the person in whose name this note is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal, premium, if any, and the interest due hereon and for all other purposes whatsoever.

This note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been duly executed by the Note Registrar.

**Section 6. Transfer, Exchange and Registry.** The notes shall be negotiable, subject to the provisions for registration of transfer contained herein. Each note shall be transferable only upon the registration books maintained by the City for that purpose at the principal corporate trust office of the note registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the note registrar and duly executed by the registered owner or his duly authorized attorney. Upon the surrender for transfer of any such note, the City shall execute and the note registrar shall authenticate and deliver a new note or notes registered in the name of the transferee, of the same aggregate principal amount, maturity and interest rate as the surrendered note. Notes, upon surrender thereof at the principal corporate trust office of the note registrar, with a written instrument satisfactory to the note registrar, duly executed by the registered owner or his attorney duly authorized in writing, may be exchanged for an equal aggregate principal amount of notes of the same maturity and interest rate and of the denominations of \$5,000 or any integral multiple thereof

For every such exchange or registration of transfer of notes, the City or the note registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made for the privilege of making such transfer or exchange.

The note registrar shall not be required to transfer or exchange any note after notice of the redemption of all or a portion thereof has been mailed. The note registrar shall not be required to transfer or exchange any note during a period of 15 days next preceding the mailing of a notice of redemption that could designate for redemption all or a portion of such note.

The City and the note registrar may deem and treat the person in whose name any note shall be registered upon the registration books as the absolute owner of such note, whether such

note shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, or interest thereon and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sums or sums so paid, and neither the City nor the note registrar shall be affected by any notice to the contrary.

In order to provide for the initial issuance of the notes in a form that provides for a system of book-entry only transfers, the ownership of one fully registered note for each maturity in the aggregate principal amount of such maturity shall be registered in the name of Cede & Co., as a nominee of The Depository Trust Company, New York, New York (“DTC”). In the event that the City determines that the system of book-entry only transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners (as hereinafter defined) of the notes or is burdensome to the City, the City may notify DTC, whereupon DTC will notify the DTC Participants (as hereinafter defined) of the availability through DTC of note certificates. In such event, the City shall issue and the note registrar shall authenticate, transfer and exchange note certificates as requested by DTC of like principal amount, series and maturity, in denominations of \$5,000 or any integral multiple thereof to the identifiable Beneficial Owners, in replacement of such Beneficial Owners’ beneficial interests in the notes. For the purposes of this paragraph, the term “Beneficial Owners” shall mean (a) those persons for whom DTC was created to hold their securities (“DTC Participants”), and (b) the persons for whom the DTC Participants acquire interests in the notes as nominees.

**Section 7. Note Registrar.** The City has initially contracted with and designated U.S. Bank National Association, St. Paul, Minnesota, to serve as fiscal agent pursuant to Section 67.10(2), Wisconsin Statutes, and as note registrar. The City covenants that it shall at all times retain a bank, trust company or national banking association to act as note registrar with respect to the notes, that it will maintain at the designated office of such note registrar a place where notes may be presented for payment and registration of transfer or exchange and that it shall require that the note registrar maintain proper registration books and perform the other duties and obligations imposed upon it by this resolution in a manner consistent with the standards, customs and practices of the municipal securities business.

The note registrar shall signify its acceptance of the duties and obligations imposed upon it by this resolution by executing the certificate of authentication on any note, and, by such execution, the note registrar shall be deemed to have certified to the City that it has all requisite power to accept, and has accepted, such duties and obligations not only with respect to the note so authenticated but with respect to the notes. The note registrar is the agent of the City and shall not be liable in connection with the performance of its duties except for its own negligence or default. The note registrar shall, however, be responsible for any representation in its certificate of authentication on the notes.

The City may remove the note registrar at any time. In case at any time the note registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the note registrar, or of its property, shall be appointed, or if any public officer shall take charge or control of the note registrar or of its property or affairs, the City covenants and agrees that it will thereupon appoint

a successor note registrar. The City shall mail notice of such appointment made by it to each registered owner of notes within 20 days after such appointment.

**Section 8. Sale of Notes.** The sale of \$58,000,000 General Obligation Promissory Notes, Series 2008-A, to Hutchinson, Shockey, Erley, & Co., Chicago, Illinois, at a price of \$58,510,922.00 and accrued interest to the date of delivery is hereby ratified and confirmed. A summary of the bids received and a copy of the successful bid are attached to this resolution.

**Section 9. Borrowed Money Fund.** The principal proceeds from the sale of the notes shall be paid into the City treasury and entered in a fund separate and distinct from all other funds, which fund shall be designated “General Obligation Promissory Notes, Series 2008-A, Borrowed Money Fund.” Money in said fund shall be used solely for the purposes for which the notes were issued, including repayment of any temporary loan or reimbursement of any temporary advance made in anticipation of the issuance of said notes.

**Section 10. Tax Levy.** For the purpose of paying the principal amounts of the notes as the same shall mature, and to pay the interest thereon as the same shall come due, there is hereby levied, for each year in which any of the notes shall be outstanding, direct, annual, irrevocable taxes in amounts fully sufficient to pay such principal and interest, and the specific amounts levied for each year are as follows:

<b>Year of Levy</b>	<b>Amount of Principal and Interest</b>
2008	\$7,990,756.67
2009	\$7,847,400.00
2010	\$7,615,400.00
2011	\$7,412,400.00
2012	\$7,209,400.00
2013	\$6,991,900.00
2014	\$6,774,400.00
2015	\$6,542,400.00
2016	\$6,295,900.00
2017	\$6,049,400.00

Interest or principal coming due at any time when there shall be insufficient funds on hand to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the taxes herein levied; and when said taxes shall have been collected, reimbursement shall be made to the said funds in the amounts thus advanced.

**Section 11. Extension of Taxes.** The amounts of taxes levied pursuant to Section 10 hereof shall be carried onto the tax roll by the City from year to year and collected as other taxes are collected; and such amounts may be reduced in any year only by any amount of surplus money in the Debt Service Fund created pursuant to Section 67.11, Wisconsin Statutes.

**Section 12. Debt Service Fund.** There is hereby created a fund to be known as “General Obligation Promissory Notes, Series 2008-A, Debt Service Fund” to be established and maintained in accordance with generally accepted accounting principles. Into the Debt Service fund, there shall be deposited the following: (a) all premium and accrued interest from the sale of the notes; (b) all money raised by taxation pursuant to Section 10 hereof; (c) any surplus in the Borrowed Money Fund created in Section 9 hereof; and (d) such additional amounts as may at any time be necessary to pay the principal of and interest on the notes as the same shall become due.

**Section 13. Application and Investment of Note Proceeds.** Following the sale of the notes, the Mayor and City Clerk are hereby authorized and directed to cause the notes to be printed, and to execute and deliver the notes to the purchasers thereof upon payment therefor; and the principal proceeds from the sale of the notes shall be used only for the purposes and in the manner required by law and by this resolution. The proceeds may be invested in the manner permitted by law, subject to the restrictions contained in the next succeeding section.

**Section 14. Tax Covenants.**

(a) The City shall not take, nor omit to take, any action that is lawful and within its power to take, which action or omission would cause interest on any note to become subject to federal income taxes in addition to federal income taxes to which interest on such note is subject on the date of issuance thereof.

(b) The City shall not permit any of the proceeds of the notes, or any facilities financed with such proceeds, to be used in any manner that would cause any note to constitute a “private activity bond” within the meaning of Section 141 of the Internal Revenue Code of 1986 (the “Code”).

(c) The City shall not permit any of the proceeds of the notes or other moneys to be invested in any manner that would cause any note to constitute an “arbitrage bond” within the meaning of Section 148 of the Code.

(d) The City shall comply with the provisions of Section 148(f) of the Code relating to the payment of certain investment earnings at periodic intervals to the United States of America; provided, however, that such payment shall not be required to the extent the City receives an opinion of nationally recognized bond counsel (which opinion may be given in reliance upon a ruling or rulings of the Internal Revenue Service) to the effect that such payment is not necessary to preserve the exemption from federal income taxes of interest on the notes.

**Section 15. Continuing Disclosure.** For the benefit of the beneficial owners of the notes, the City covenants and agrees to provide an annual report containing certain financial information and operating data relating to the City and to provide notices of the occurrence of certain enumerated events, if material.

The annual report shall be filed with each Nationally Recognized Municipal Securities Information Repository and with the Wisconsin state information depository, if any, within 270 days after the close of the City’s fiscal year. The information to be contained in the annual

report shall consist of the annual audited financial statement of the City and such additional information as noted in the Official Statement under the caption “CONTINUING DISCLOSURE.” Each annual audited financial statement will conform to generally accepted accounting principles applicable to governmental units and will be prepared in accordance with standards of the Governmental Accounting Standards Board. If audited financial statements are not available by the time the annual financial information must be provided, unaudited financial statements will be provided as part of the annual financial information, and the audited financial statements will be provided when and if available.

The City also covenants and agrees, for the benefit of the beneficial owners of the notes, to provide timely notice to the Municipal Securities Rulemaking Board and to the Wisconsin state information depository, if any, of any failure of the City to file any such annual report within the 270-day period and of the occurrence of any of the following events with respect to the notes, if material: (a) principal and interest payment delinquencies; (b) non-payment-related defaults; (c) unscheduled draws on debt service reserves reflecting financial difficulties; (d) unscheduled draws on credit enhancements reflecting financial difficulties; (e) substitution of credit or liquidity providers, or their failure to perform; (f) adverse tax opinions or events affecting the tax-exempt status of the notes; (g) modifications to rights of noteholders; (h) note calls; (i) defeasances; (j) release, substitution or sale of property securing repayment of the notes; and (k) rating changes.

It is found and determined that the City has agreed to the undertakings contained in this section in order to assist participating underwriters of the notes and brokers, dealers and municipal securities dealers in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934. The City Comptroller is authorized and directed to do and perform, or cause to be done or performed, for or on behalf of the City, each and every thing necessary to accomplish the undertakings of the City contained in this section for so long as said Rule 15c2-12(b)(5) is applicable to the notes and the City remains an “obligated person” under the Rule with respect to the notes.

The undertakings contained in this section may be amended by the City upon a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the obligated person, or type of business conducted, provided that (a) the undertaking, as amended, would have complied with the requirements of Rule 15(c)2-12(b)(5) at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances and (b) in the opinion of nationally recognized note counsel selected by the City, the amendment does not materially impair the interests of the beneficial owners of the notes.

#### **Section 16. Defeasance and Payment of Notes.**

(a) If the City shall pay or cause to be paid to the registered owners of the notes the principal, premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this resolution, then the pledge of taxes, securities and funds hereby pledged and the covenants, agreements and other obligations of the City to the registered owners and the beneficial owners of the notes shall be discharged and satisfied.

(b) Any notes, whether at or prior to the maturity or the redemption date of such notes, shall be deemed to have been paid within the meaning of this Section if (i) in case any such notes are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such notes for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (ii) there shall have been deposited in trust with a bank, trust company or national banking association acting as fiduciary for such purpose either (A) moneys in an amount which shall be sufficient, or (B) "Federal Obligations" as defined in paragraph (c) of this Section, the principal of and the interest on which when due will provide moneys which, together with any moneys on deposit with such fiduciary at the same time for such purpose, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on said notes on and prior to the applicable redemption date or maturity date thereof.

(c) As used in this Section, the term "Federal Obligations" means (i) noncallable, direct obligations of the United States of America, (ii) noncallable and nonprepayable, direct obligations of any agency of the United States of America, which are unconditionally guaranteed by the United States of America as to full and timely payment of principal and interest, (iii) noncallable, nonprepayable coupons or interest installments from the securities described in clause (i) or clause (ii) of this paragraph, which are stripped pursuant to programs of the Department of the Treasury of the United States of America, or (iv) coupons or interest installments stripped from bonds of the Resolution Funding Corporation.

**Section 17. Resolution To Constitute a Contract.** The provisions of this resolution shall constitute a contract between the City and the owner or owners of the notes. Any pledge made in this resolution and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the City shall be for the equal benefit, protection and security of the owners of any and all of the notes. All of the notes, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the notes over any other thereof except as expressly provided in or pursuant to this resolution. This resolution and the resolution awarding the notes, fixing the interest rates and levying taxes for the payment thereof, shall constitute full authority for the issuance of the notes, and to the extent that the provisions of this resolution conflict with the provisions of any other resolution of the City, the provisions of this resolution, as amended, shall control. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

**Section 18. Notice.** The City Clerk is authorized to publish a notice of the issuance of the notes as a class 1 notice pursuant to Section 893.77, Wisconsin Statutes.
