# Keys to Dignity Locker Program

## Sponsored by Friends of the State Street Family

[K2D@friendsofthestatestreetfamily.org](mailto:K2D@friendsofthestatestreetfamily.org)

The Keys to Dignity Locker Program helps people experiencing homelessness reduce vulnerability to theft and damaged or lost possessions. The camouflaged lockers in discreet locations provide safe storage while individuals sleep, work, and get around with less to carry. They can then attend appointments, interviews, and work without the risk of their belongings being stolen or thrown away.

While we have our first site established, we are seeking partners to host our next locker sites. Ideally, sets of 3-7 lockers will be installed in close proximity to downtown Madison or along bus routes at participating commercial and non-profit business properties. The custom lockers will be designed using urban camouflage to blend in with the surroundings of each site.

---

### Benefits

- Provides dignity and freedom to the homeless population
- Clears belongings from public streets
- Service organizations don't need to issue as many supplies if people are able to store them when not needed

---

### Funding and Costs

- Dane County-funded
- No cost to participants or site hosts
- Insured by FSSF
- FSSF manages an operating budget to maintain sites
- FSSF will gift agencies the supplies to host and manage their own lockers

---

### Locker Logistics

- Installed by Operation Fresh Start
- Managed and monitored by FSSF volunteers to ensure safety, cleanliness of site, and that rules are followed
- Placed discreetly throughout the city in locations that are easily accessible
- Painted in urban camouflage to blend in and lessen the risk of judgement or theft

*Helping individuals experiencing homelessness maintain their dignity by empowering them to keep their possessions secure and protected.*
