Please can we still distribute these comments which received today from Connie Thompson, Executive Director, Monona Terrace Community and Convention Center? Thanks, Judy

**See Tim Anderson's comments:** This the plan that Sasaki will show. The note for area L2 is reserved for MT expansion with park functions on the roof top. The concern I have is that the orange color does not fully encompass the footprint in Doug's plan. We should make sure that the color covers the full expansion area that we proposed.

Throughout the document, on pages 28, 79, 80 and 175, they have the Monona Terrace expansion red dotted line stopping short, it needs to go up to the bike path.

On pages 82, 84, 90 and 92 the Monona Terrace expansion is not listed on the page, but is listed in the legend. It is noted on the map \* Potential Monona Terrace Expansion Design to be coordinated. But the area noted is not the full area needed.

The planning timeframe still needs to move up farther on page 172.

Thanks
