The Commission discussed the historic value of the buildings proposed for demolition.

ACTION:

A motion was made by Hill, seconded by Andrzejewski, to recommend to the Plan Commission that the Commission finds that the buildings located at 4325 Nakoma Road, 1115-1123 S Park Street, 502 E Badger Road, and 5404 Lake Mendota Drive have no known historic value and that the Commission finds that the building located at 5409 Femrite Drive has historic value related to the vernacular context of Madison's built environment, but the building itself is not historically, architecturally or culturally significant . The motion passed by a voice vote.
