RE: Legistar ID 79018; Accela 'LNDUSE-2023-0050' -- Approval of conditional use major alteration at 131 West Wilson Street

Dear Jake Bunz:

At its November 13 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your requested conditional use alteration for exterior lighting at a 15-story mixed-use building. In order to receive final approval of your request and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Jessica Vaughn, Urban Design Commission Secretary at (608) 267-8740 if you have any questions regarding the following one (1) item:

1. That the "hook" on the mounting bracket for fixture L3 be extended slightly to meet full cut-off requirements.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

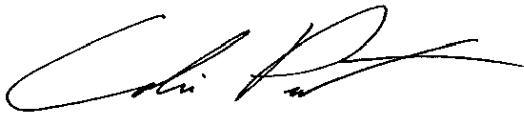

Please now follow the procedures listed below for obtaining your demolition permit and conditional use:

1. After the plans have been revised per the above conditions, please submit **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate site plan review application and [site plan review fee pursuant to Section 28.206](#) of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at SPRapplications@cityofmadison.com. (Note that that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email zoning@cityofmadison.com regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.

3. The conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
5. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
 Planner
