REPORT BY CITY ENGINEERING

RECOMMEND APPROVAL
- 6.* [93196](#) Change Order No. 13 to Contract 9610, Imagination Center at Reindahl Park, to CCI Corporate Contractors Inc., for \$0 and a time extension to 8/14/26. (District 12)

The Contractor experienced 10 approved weather days beyond the original weather

days they held in their construction schedule. The City of Madison recommends extending the Contractor's Construction Closeout date from July 31st, 2026 to August 14th, 2026 to make up for the 10 weather days. This schedule change has been reviewed with the Owner groups and the City will be able to move in furniture as originally scheduled and still meet opening date and grant deadline obligations.

RECOMMEND APPROVAL

7. [93197](#) Change Order No. 28 to Contract 9361, State Street Garage Mixed-Use Project, to Stevens Construction Corp., for \$46,988.00 (District 2)

Items Referred by the Common Council

- 8.* [93171](#) Authorizing the Mayor and City Clerk to enter into a non-competitive agreement with the USGS for City of Madison Master Services 5-year contract. (Citywide)

Sponsors: John P. Guequierre And Badri Lankella

Attachments: [Non-Competitive Selection Request - United States Geological Survey \(](#)

This item approves a 5-year agreement with the United States Geological Survey (USGS) to conduct stormwater monitoring in a variety of capacities throughout the City including the effects of watershed renewal through green infrastructure, road sand storage effects on runoff and biofiltration, urban flash flooding warning network management, stormwater and precipitation monitoring network management and studying saturated hydraulic conductivity in green infrastructure. The City currently has a 5-year agreement with USGS to complete data analysis and studies on these efforts, and this agreement would allow that partnership to continue for another 5 years.

Public Works Construction Management - Private Contracts

- 10.* [93174](#) Approving plans and specifications for public improvements necessary for the project known as 5542 Medical Circle and 5559 Odana Road and authorizing construction to be undertaken by the Developer, Private Contract No. 9781

(District 19)

Sponsors: BOARD OF PUBLIC WORKS

Attachments: [9781 Exhibit.pdf](#)

Odana Apartments, LLC has received approval to demolish the existing building at 5534 Medical Circle and approval for conditional uses to construct five-story and six-story mixed-use buildings at 5555 Odana Road and 5534 Medical Circle with a total of 227 dwelling units and 7,745 square feet of commercial space. The Developer shall be responsible for improvements including reconstruction of public sidewalk, street terrace, curb and gutter and pavement on Medical Circle and Odana Road per plans approved by the City Engineer and for new commercial driveway opening(s) on Odana Road and Medical Circle per plans approved by the City Engineer and Commercial Driveway Permit issued by the City Traffic Engineer. The Developer is also responsible for relocating public sanitary in Odana Road to center the service in the existing easement and for extending public sanitary in Medical Circle and extending public storm as well as constructing private sanitary, storm and water service laterals necessary to serve the private redevelopment project per plans approved by the City Engineer. The Developer will also be responsible for obtaining permits for public street tree removal – currently three trees are approved for removal (two on Odana Road and one on Medical Circle) and providing plans for three new street trees on Odana Road approved by City Forestry.

RECOMMEND TO ADOPT

11.* [93175](#)

Approving plans and specifications for public improvements necessary for the project known as 427 W Gilman Street and authorizing construction to be undertaken by the Developer, Private Contract No. 9777 (District 2)

Sponsors: BOARD OF PUBLIC WORKS

Attachments: [9777 Exhibit.pdf](#)

The developer, The Standard At Madison, LLC, has received the City of Madison's conditional approval for a demolition permit to raze the structures at 411, 415 & 433 W Gilman Street, a one-lot Certified Survey Map and construction of a sixteen-story mixed-use building at 427 W Gilman Street. The developer shall be responsible for the recording of a Certified Survey Map, reconstruct public sidewalk, street terrace, curb and gutter, and pavement. The developer shall also be responsible for constructing private sanitary, storm and water service laterals. Construct public sanitary upgrades to provide the required sanitary sewer capacity to serve the private redevelopment and restore W Gilman Street and University Avenue as needed. Provide public street tree protection, removals, and plantings per City Forestry approvals. All street and utility improvements per plans approved by the City Engineer. City Forestry will issue a street tree removal permit for five (5) trees along W Gilman Street: 8" Pear, 6" Elm 'New Horizon', 2" Kentucky Coffeetree, 22" White Ash, 7" Pear. Install terrace support systems per City Forestry approvals and per plans approved by the City Engineer if possible. Installation of terrace support systems will be challenging due to potential conflicts with other underground utilities along the terrace. This will require additional field review to confirm feasibility and layout/placement of cells. Construct new private drive entrance aprons per plans approved by the City Engineer and per the Commercial Driveway Permit approved by the City Traffic Engineer. Protect existing public streetlights, traffic signals, and fiber facilities in the project area. Coordinate with City Traffic Engineering and City Information Technology on relocations needed to facilitate construction. Coordinate project access, street closures, and street occupancy with other projects in the area and as approved by City Traffic Engineering.
