RE: Intersection of Hammersley Road and Whitney Way

The City of Madison is preparing to construct a directional median at the intersection of Hammersley Road and Whitney Way. You may recall that the City of Madison considered several alternatives to reduce the number and severity of crashes at the Hammersley Road-Whitney Way intersection. The City has identified the partial median closure (see figure 1) as the preferred alternative for this location.

A public hearing is scheduled before the Madison Board of Public Works concerning the construction of this directional median and partial closure. The public hearing is scheduled for:

**Wednesday, May 21, 2008, at 6:30 p.m.
Room 108 (City Parks conference room) of the City-County Building
210 Martin Luther King, Jr. Boulevard.**

The public hearing is an opportunity for citizens to comment on the project. You may also submit written comments (mail or email) for the Board's consideration.

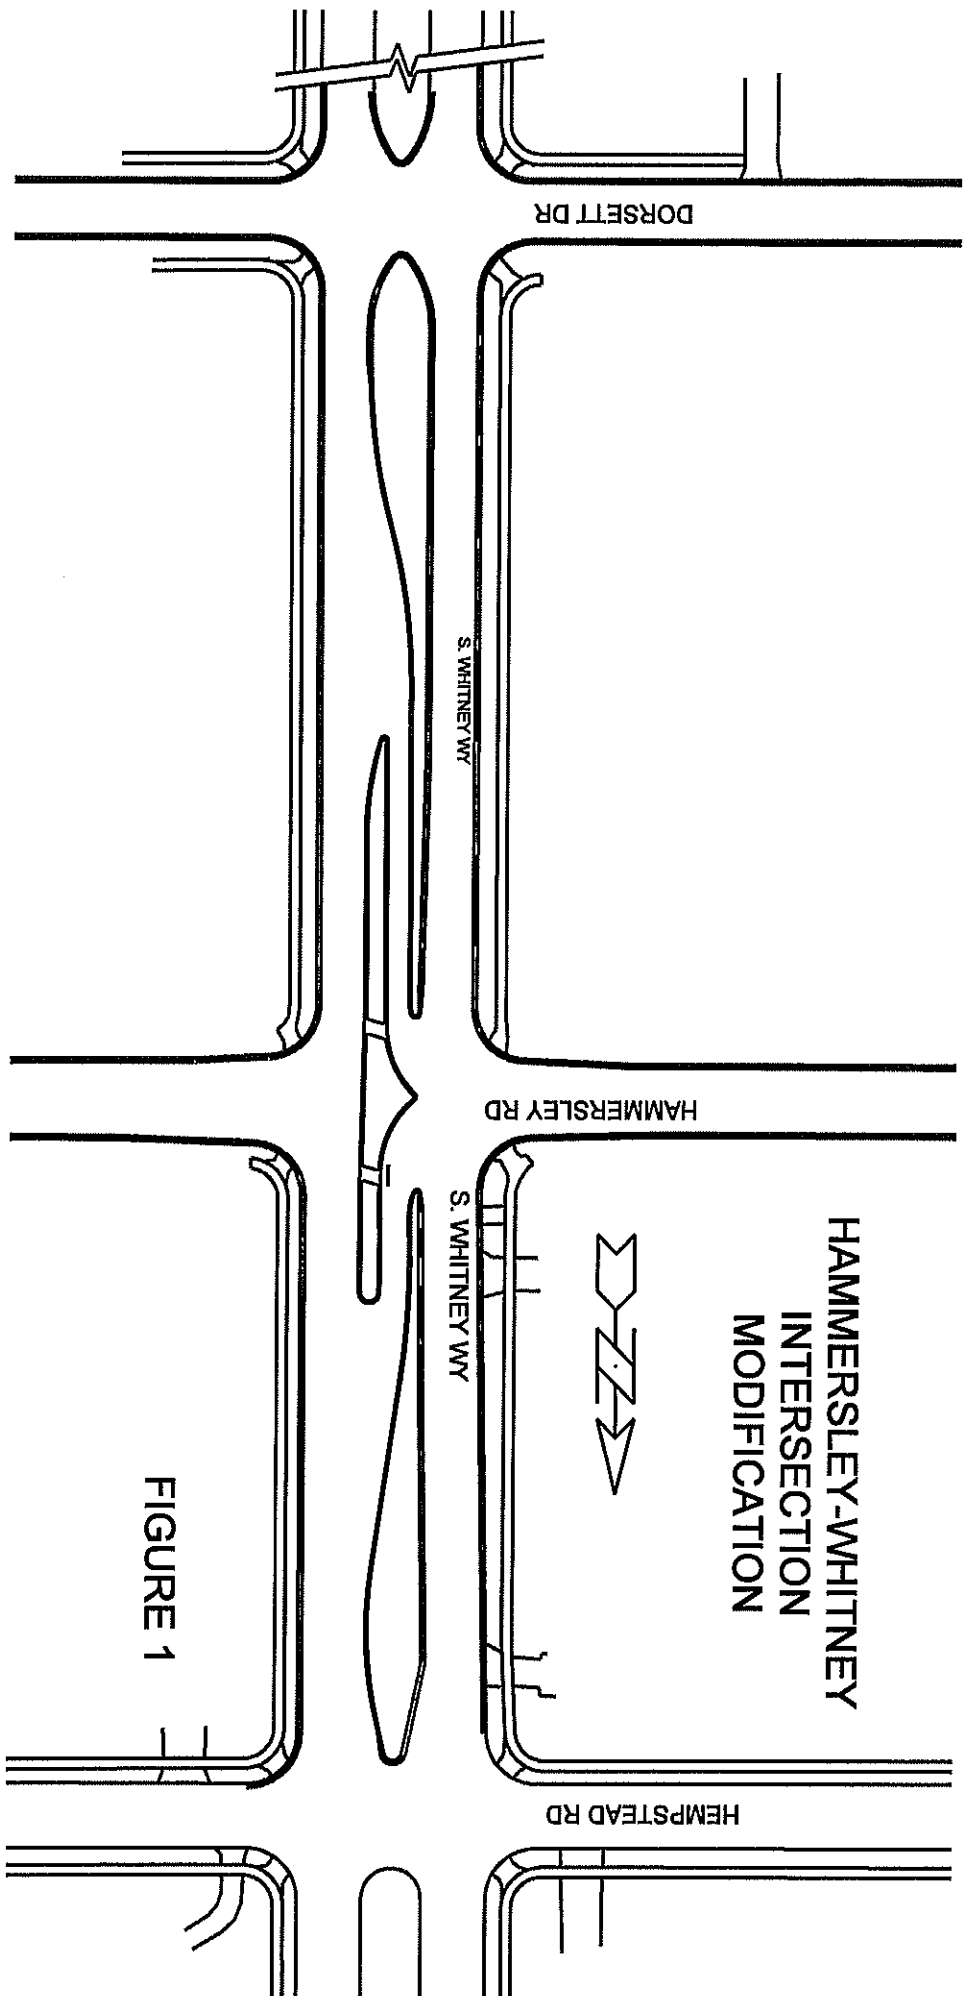

Anyone with questions or concerns about the proposed median may contact Bob Arseneau of the City Traffic Engineering Division, 608-267-8849, barseneau@cityofmadison.com

Sincerely,

David C. Dryer, P.E.
City Traffic Engineer and Parking Manager
