Subject: Re: January 21, 2015 Agenda for PBMVC Workgroup on Bike Maintenance Policy

Hi Sabrina with my dad's impending death, I cannot be at the Wed. meeting, but I hope the other two members can be there.

One endorsement that I would like to come out of the meeting is to approve the proposal by Kathy Cryan to have the city buy equipment so that salt brine can be placed on bike paths prior to snow events. Kathy will explain it better. Let Aaron and Scott know that I support.

Thanks. Mike

PBMVC Workgroup Members,
The approved agenda for next week's Bicycle Facility Maintenance Policy Workgroup meeting and related files are attached. The meeting will be next Wednesday, January 21st at 5:00 PM in the Transportation Conference Room (Room 101 of the Madison Municipal Building).
