To Whom It May Concern:

I am writing this letter in support of Nabeel Syed's application to sell beer at the BP Gas Station located at 2801 Atwood Ave. As a 23 year resident of the above address I have seen many businesses come and go in the neighborhood. Some of these businesses have been good and some have not. Mr. Syed has spoken to me at length about different ideas he has for his business. He has added bait and changed to coffee in response to customer requests. He is a caring business owner trying to make a living and I feel we should support the beer sales. I can walk one block from my home and buy beer at Stalzy's and it only seems fair that Mr. Syed is allowed to sell beer at his gas station.

Sincerely,
