I registered above, but am unable to speak during the meeting. Could you please pass along my comment below to be included in the meeting. Thank you.

Resident of Jackson Street implores the board to reconsider this project, and only complete the projects that are funded by the taxes residents are already paying. The tax rates are high in this neighborhood already and additional charges to residents is a financial burden. During this time of pandemic and financial insecurity, large costs like this, that are expected to be paid by residents is unreasonable and unwanted. I do not want to pay for these updates, and do not believe that my property value goes up as explained, nor do I believe the rates indicated for repayment are reasonable. I do not support any projects that require residents to pay out of pocket. Please consider only do projects that are covered by the high taxes we are already paying. Thank you.

Thank you

Jess,

You can register to speak at the meeting here: <https://www.cityofmadison.com/clerk/meeting-schedule/virtual-meetings/register?meeting-id=50045>. The Jackson St public hearing is item 5 on the agenda. If you'd like to also leave a written comment you can reply to this email and I will make sure it gets to the board members before the meeting.

Regards,

Lesley Parker

My name is Jess and I received a notification that public hearing about the engineering project 11190 for property owners on Jackson Street. I would like to state a strong objection to this project.

Please send instructions on how to participate in this public meeting which is Wednesday Oct. 7th, 2020 at 4.45 pm

Thanks you

jess
