RE: Approval of final plans for a single-family residence at 5324 Loruth Terrace on a lot created by a previously approved Certified Survey Map (CSM) and demolition permit (Matthews/ Illichmann).

Dear Mr. Klingbeil;

At its June 3, 2013 meeting, the Plan Commission granted approval of final plans for your client's new single-family residence on property located at 5324 Loruth Terrace, subject to the conditions below. In order to receive final approval of your project and for building permits to be issued, the following conditions must be met:

Please contact Janet Dailey, City Engineering Division, at 261-9688 if you have questions regarding the following six (6) items:

1. The applicant shall replace all sidewalk and curb and gutter abutting the property, which is damaged by the construction, or any sidewalk and curb and gutter that the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction.
2. All work in the public right of way shall be performed by a City-licensed contractor.
3. All damage to the pavement on Loruth Terrace and Whitcomb Drive adjacent to this development shall be restored in accordance with the City's Pavement Patching Criteria.
4. The applicant shall submit, prior to plan sign-off, digital PDF files to the City Engineering Division. The digital copies shall be to scale, shall have a scale bar on the plan set, and shall contain the following items: building footprints; internal walkway areas; internal site parking areas; lot lines and right-of-way lines; street names, stormwater management facilities and; detail drawings associated with stormwater management facilities (including if applicable planting plans).
5. All outstanding Madison Metropolitan Sewerage District (MMSD) and City of Madison sanitary sewer connection charges are due and payable prior City Engineering Division sign-off, unless otherwise collected with a Developer's/ Subdivision Contract. Contact Janet Dailey (261-9688) to obtain the final MMSD billing a minimum of 2 working days prior to requesting City Engineering Division signoff.

6. The site plan shall be revised to show all existing public sanitary sewer facilities in the project area as well as the size, invert elevation, and alignment of the proposed service.

Please contact Eric Halvorson of the Traffic Engineering Division at 266-6527 if you have any questions regarding the following three (3) items:

7. When the applicant shall submit plans for approval, the applicant shall show the following: items in the terrace as existing (e.g., signs and street light poles), type of surfaces, existing and proposed property lines, addresses, one contiguous plan (showing all easements, all pavement markings, building placement, and stalls), adjacent driveway approaches to lots on either side and across the street, signage, percent of slope, semitrailer movements and vehicle routes, dimensions of radii, aisles, driveways, stalls including the 2 feet overhang, and a scaled drawing at 1" = 20'. Contact City Traffic Engineering if you have questions.
8. The developer shall post a deposit and reimburse the City for all costs associated with any modifications to traffic signals, street lighting, signing and pavement marking, and conduit and handholes, including labor, engineering and materials for both temporary and permanent installations.
9. Public signing and marking related to the development may be required by the City Traffic Engineer for which the developer shall be financially responsible.

Please contact Dennis Cawley of the Madison Water Utility at 261-9243 if you have any questions regarding the following item:

10. Note: Per MGO Sec. 13.21, all wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Please contact Kay Rutledge of the Parks Division at 266-4714 if you have any questions regarding the following three (3) items:

11. Additional street trees are needed for this project. All street tree planting locations and trees species with the right of way shall be reviewed by City Forestry. Please submit a tree planting plan (in PDF format) to Dean Kahl (dkahl@cityofmadison.com or 266-4816). Approval and permitting of tree planting shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan. Tree planting specifications can be found in Section 209 of City of Madison Standard Specifications for Public Works Construction. Please reference ID# 06113.1 when contacting Parks Division staff about this project.
12. The original structure located at 5402 Whitcomb Drive no longer exists on the property and is being replaced by this development. Park fees for the one additional residential lot created by the CSM splitting 5402 Whitcomb Drive into 5324 and 5314 Loruth Terrace were paid as part of the sign-off of the CSM.
13. Approval of plans for this project does not include any approval to prune, remove or plant trees in the public right of way. Permission for such activities must be obtained from the City Forester by calling 266-4816.

Note: Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and SPS 382.40(3)(e).

Please now follow the procedures listed below for obtaining your building permit:

1. After the plans have been revised per the above conditions, please file **eight (8) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant and property owner (if not the applicant) to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. Approval of the plans for this project does not include any approval to prune, remove or plant trees in the public right of way. Permission for such activities must be obtained from the City Forester, 266-4816.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations or additions which may be approved by the Director of Planning and Community and Economic Development if determined to be compatible with the concept approved by the Plan Commission. Following the issuance of a Certificate of Occupancy, future additions or alterations to the proposed alternative use of the property shall not be subject to review. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 24 months from the expiration date.

If you have any questions regarding obtaining your building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 261-9632.

Sincerely,

Timothy M. Parks
 Planner

cc: Janet Dailey, City Engineering Division
 Eric Halvorson, Traffic Engineering Division
 Pat Anderson, Asst. Zoning Administrator
 Kay Rutledge, Parks Division
 Dennis Cawley, Madison Water Utility
 Bill Sullivan, Madison Fire Department

I hereby acknowledge that I understand and will comply with the above conditions of approval for this project.
