Hi Jennifer,

I wanted to let you know that Starbucks would like to formally withdraw its application for a liquor license for its location at 1 East Main Street. I have already notified Mayor Soglin, Mark Woulf and Alderman Verveer. According to Mr. Woulf, the application will be removed from the Agenda for tonight and nothing else is required.

Can you please let me know if you need anything else?

Thanks,
Kate

Subject: Starbucks - application for Liquor License

Dear City of Madison,

I am writing in follow up to the recent application filed by Starbucks in connection with their application for a liquor license for their location at 1 East Main Street. Specifically, they would like to file the amended City of Madison License Application that updates their application and corrects some issues with the first application.

In addition, attached, please find an amended Business Plan with attachments. We would appreciate your assistance with adding this revised information to their application.

Lastly, please note that I will also be providing Mr. Mark Woulff with a copy of same.

Can you kindly confirm receipt of same and that we can supplement the application with the attached?

Additionally, can you please confirm that this license application is still scheduled to be on the February 17 at 5:30 p.m. meeting before the Alcohol License Review Committee?

Please let me know if you have any questions.

Thank you,
Kate Becker
