Attic Angel is an existing location and has a full service restaurant that has been in service for over 30 years. We are seeking a liquor/beer license so we can offer wine and beer to enhance the dining experience and be able to serve alcohol legally and responsibly to the residents. We are a non-profit establishment serving residents in house.

The restaurant called The Terrace, is located on the ground floor and serves an Ala Carte made to order menu. We average around 40 customers per dinner service. The hours we are open are from 4:00pm-7:30pm daily.

The storage of beverage products is located in a separate storeroom that is locked at all times with limited access by approved employees. The kitchen is located adjacent to the dining room and also supplies food to our Memory care, Health Center and Assisted living units which all have separate serving units in a separate part of the building.
