

Hello,

I am a property owner in the Dunn's Marsh Neighborhood. I am opposed to the application by Lakhvir Kaur, Madison Oil LLC, for a Class A beer and liquor license at 4611 Verona Road, Madison Plaza mall. This neighborhood does not need any more places to buy alcohol. We already have a proliferation of low-value establishments such as these.

I heard that there is a public hearing this evening about this application. I cannot attend the hearing, so I am attaching a letter with my opinion on the application.

Thank you,

Susan
