

My name is Shannon Winburne. My husband Dave and I recently purchased the property on Cottage Grove Road. We changed the name to Winnies on acct of our name.

This is a family pub bar = my brother, sister, niece and nephews ~~all~~ all work there and depend on customers. The smoking ban is hurting us all. No customers,

No money, ~~and no tips =~~ No jobs. So everyone's hours have been shortened. We have all worked in customer-related businesses and cannot afford to lose everything we have so long strived for.

the smoking ban

We need to repeal ~~the~~ law. Without income, we will lose our livelihood, ~~nieces and nephews will lose their jobs, and my husband and I will probably ~~lose~~ our place to live.~~

Don't let Madison become Hurricane Katrina. We need our city, friends and jobs.
