Operator
Same as Owner

Tracts Included: 1925

Administrative County: Dane

Tract: 1925 Blooming Grove Township Dane County
Plan Date: 12/23/2015

Tract: 1925 Field: 1 Cropland

Planned For Amount	Date	Applied Amount	Date	Program	Land Use and Treatment
2.4 ac	Dec 2015	2.4 ac	12/23/2015		Conservation Crop Rotation A cropping sequence will be used that will provide adequate organic residue for maintenance or improvement of soil tilth. Crop rotation: continuous asparagus.

Tract: 1925 Field: 400 Pasture HEL

Planned For Amount	Date	Applied Amount	Date	Program	Land Use and Treatment
8.0 ac	Dec 2015	8.0 ac	12/23/2015		Prescribed Grazing Grazing will be managed according to a schedule that meets the needs of the soil, water, air, plant and animal resources and the objectives of the resource manager. Livestock numbers will not exceed 15 head and will be removed from area during the winter months. Livestock will be managed to protect pond shoreline grasses from over grazing.

I (We) concur the conservation practices in this plan, when applied and maintained, are compliant with the USDA - Food Security Act, Wisconsin Farmland Preservation Program, Wisconsin NR151 and Dane County Ordinances.
