Subject: great work

Just a note of praise for the crew that worked hard last night on Wakefield Street. The broken water main they fixed and that broke again.

I am sure they were frustrated, I know they were cold. But they said until it was all fixed and worked hard in tough conditions.

An example of the great folks we have working for our city and why it's one of the best places in the world to live.

Thanks,

4325 Wakefield St.

Note: Crew members were Jim McCormick, David DeLoof, Robert Kempfer, Donald Smith, and Matthew Edgren.
