Listed below are noteworthy alcohol related calls Madison Police Officers have handled. The calls are broken down as being related to an alcohol license holder (by name) or designated as having occurred on public or private property. The intent of this data base is to provide alcohol information, trends, activities and alleged liquor and other law violations. Be cautioned not to make judgments on the merits of any incident from the select (out of context) information presented here. Arrests, citations issued or decisions to forward a report to the City Atty's office for prosecution should not infer guilt. The incidents presented in this data base are a sampling of the many alcohol related calls handled by Officers daily.
