Regina,

I am having difficulty wrapping my head around the 733, and 737 Meadow Lane properties becoming part of the garage entrance to a 146 unit apartment building.

The traffic will be outrageous. Meadow Lane is a 2 lane road.

How could this be allowed to occur.?

The entrance/exit for this complex should be on University Avenue.

Perhaps they should acquire the properties at 3525, and 3527 University Avenue (Capitol PT, and Puffin Pass) to make that happen. Has anybody looked at that?

Tom Maloney
