 If the event includes a run/walk component on City streets, the approval of the Parks Division for the use of the park does not imply approval of the proposed route. Routes need to be approved with a <u>Parade</u> <u>Permit</u>.

What impact do you anticipate your event will have on the residents/businesses in the areas surrounding the park? Consider things such as noise, parking, traffic, etc. What plans do you have to minimize these impacts?

There will be very little impact to the neighborhood with only 300 people in attendance and no amplified music.
