Dear Board of Parks Commissioners,

Vern Stenman attended our TLNA Council meeting on February 10, 2022, to present updates on the Breese Stevens Field annual Fan Access Plan and Neighborhood Impact Plan. During the meeting, Vern also discussed their intentions for a July 2 fireworks event. Overall, there were no outstanding concerns about anything shared. We appreciate the organization's continued responsiveness to neighbor concerns throughout the year and look forward to another successful year of programming at Breese Stevens and working together to ensure positive experiences for event attendees and the neighborhood.

Best regards,

Tyler Lark  
President, TLNA
