In addition to the rules and regulations detailed in the permit application instructions and guidelines, Street Use Permits are subject to all applicable ordinances, statutes and laws.

Signature 

Date 12 Jan 12

## Workers' Memorial Day Rally Event Schedule

The rally is to observe the day the Legislature passed Act 10 and took away the right of collective bargaining.

Shuttle buses from the Alliant Center will be provided to encourage off square parking and reduce traffic.

There will also be a canned food drive being conducted. Volunteers will have barrels at State St, Wisconsin Ave and West Washington where they hit the Square. The Teamsters will have semitrailers staged on site to collect the food donations and transport off site after the rally. Two trucks will stage on North Pickney as they did in the past.

The Social Media Tent in the minipark at the top of State Street next to the Veterans Museum will need power from the nearby lamp post for the couple of computers.

12 Porta Potties will be located on West Washington across the street from the Church.

We would like to contact the street vendors who work the Square to encourage them to set up during the event to sell food and drinks during the event.

7am – Stage site setup on Capitol Grounds State St Entrance.

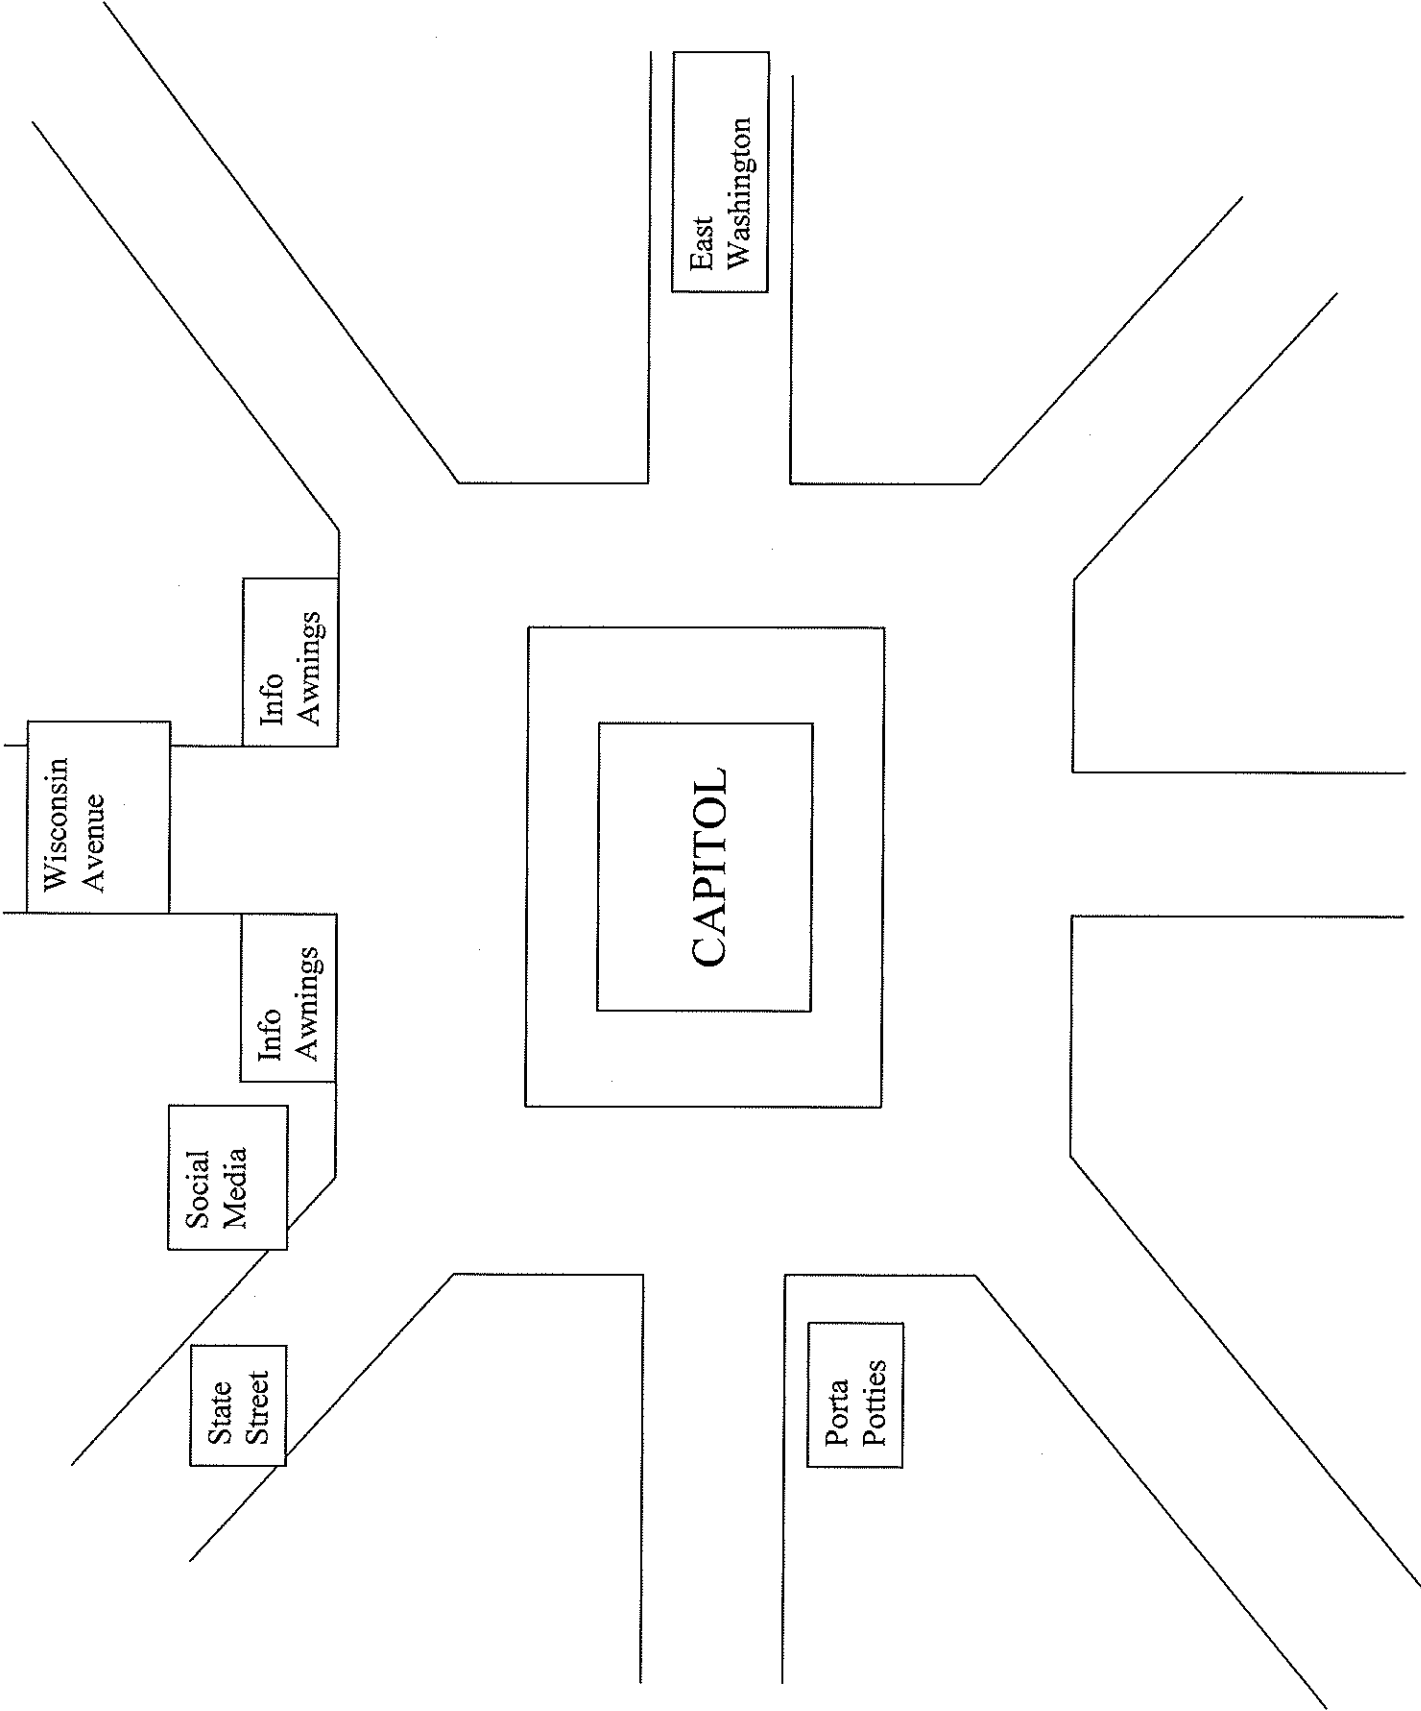

8am – Awning Tents setup at on Sidewalk on East and West Mifflin Streets (not in front of businesses).

11am – Music begins for rally.

1pm – Speaking Program

2pm to 4pm – Music Continues.

4pm – Teardown begins with full clearance of city property by 6pm and clearance of Capitol property by 8pm.

## Workers' Memorial Day Rally Safety and Security Plan

We Are Wisconsin is an organization that has helped plan, run and staff many of the rallies that have been occurring in Madison since February 2011. We will be using many of the same staff and organizational plan from many of those rallies. The success and peacefulness of these rallies has demonstrated our effectiveness and responsibility in these types of operations.

For the Rally we will employ the same 'Marshal' system we have used successfully in the past. We recruit and train marshals who are identified by safety vests we will be providing. We will be using 100 marshals for the event. Marshals will be equipped either with a radio system or be connected by cell phone to the main Marshal office at Inn on the Park. These marshals and their vests are well recognized by many rally participants due to their extensive use in previous rallies.

These Information Awning locations will serve as first aid and 'lost child' areas.
