

BPW Meeting February 3, 2010:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

**6. North & South Broom Street Resurfacing**

This project will disturb more than an acre, which shall require a Notice of Intent permit from the DNR and an Erosion Control/Stormwater Management permit from City Engineering. Both permit applications have already been submitted.  
**(LeAnne Hannan, City Engineering)**

**46. Badger Road & Park Street Intersection Reconstruction**

This project will be completed through the WDOT, and so shall not require a permit from the WDNR.
