MONROE COMMONS

To the members of the Madison Common Council:
the undersigned neighbors and customers of the Monroe Street shopping district strongly support the Monroe Commons project proposed for the site of the former Ken Kopps store. We believe this project will provide the Monroe Street neighborhood with high-density housing and a grocery store on the main floor, enhancing the health of this neighborhood business district and the viability of the nearby neighborhoods. The financial benefits to the city merit the investment of public funds, which will pay dividends to the city and enhance the city's financial condition.

MONROE COMMONS

To the members of the Madison Common Council:

the undersigned neighbors and customers of the Monroe Street shopping district strongly support the Monroe Commons project proposed for the site of the former Ken Kopps store. We believe this project will provide the Monroe Street neighborhood with high-density housing and a grocery store on the main floor, enhancing the health of this neighborhood business district and the viability of the nearby neighborhoods. The financial benefits to the city merit the investment of public funds, which will pay dividends to the city and enhance the city's financial condition.
