Re: 1252 Williamson Street Redevelopment

Dear Members of the Landmarks Commission,

We presented this project to Urban Design Commission on October 21, 2009 for Final Approval. At the meeting UDC strongly recommended the slanted cantilevered bays versus the straight cantilevered bays which were submitted in the earlier landmarks submittal. Therefore, we are submitting this drawing set for Landmarks consideration of UDC's recommendation.

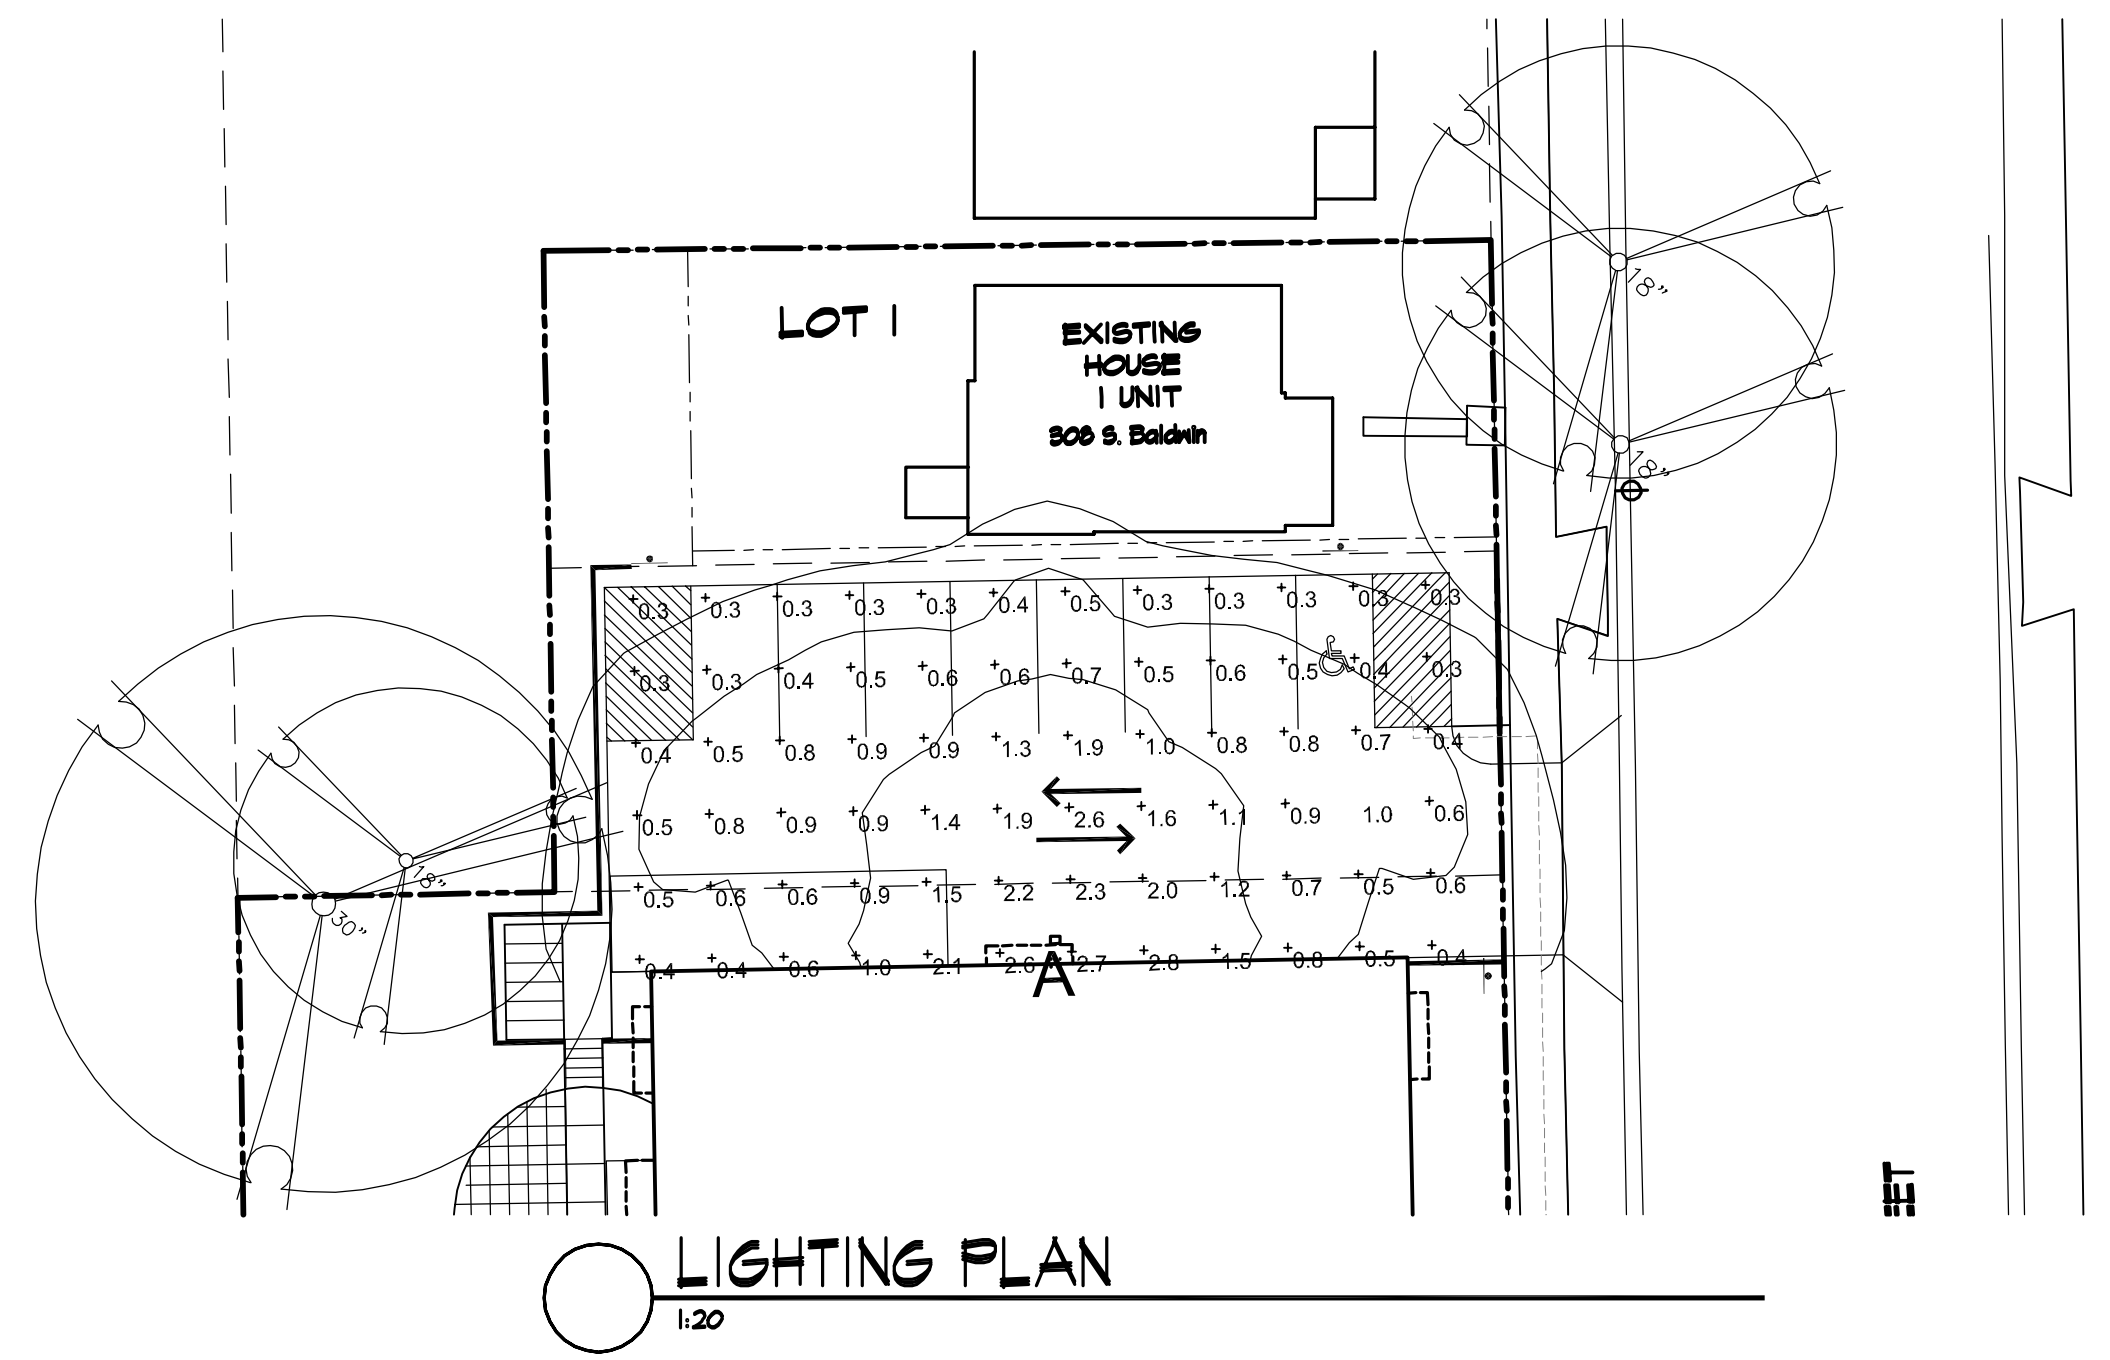

Thank you for your review and consideration of this matter.

Yours Very Truly,

J. Randy Bruce, AIA
