**RESOLUTION**

**WHEREAS**, the CDA received two grant extensions under the HUD Multifamily Housing Services Coordinator Grant Program.

**WHEREAS**, these grants are to provide services to the elderly and disabled, to see that they get access to social and health services available to them to keep them in housing, and prevent them from becoming homeless.

**NOW, THEREFORE, BE IT RESOLVED** that the Executive Director is authorized to negotiate a contract for services with the Mental Health Center of Dane County. The funding for these services is to come from the HUD Services Coordinator Grant. This resolution will combine two previous contracts, into one contract, for two social service workers.
