

RAM RACING, LLC
1634 W. NORTH AVE.
CHICAGO, IL 60622
773-395-2929
www.ramracing.org

RAM Racing produces a series of events, now 8 in total, in the Midwest Marketplace. These events range from the 5K to Half Marathon distance, and now 3 triathlons. Each of our events support charity programs and provide a quality experience for our participants.

One of our newer events is the Terrapin 5K, a 5K run themed after the Grateful Dead band. First produced in Chicago, it drew over 2,500 registered in its first year. After the race, the participants are provided with pizza, brownies & beer (if of age) and a post race concert by a Grateful Dead cover band. The owners of Ram Racing, Paul Rosenblum & Steve Ginsburg are alums of UW Madison, and want to take the show on the road, up to their old school city. Ram Racing is still in the process of determining the charity for this initial Madison event.

Ram Racing retains only the top quality vendors, such as Lakeshore Athletic Services to assist with the production of their events. Ram Racing also works diligently with local government officials to make sure all permits are properly obtained and that the participants are safeguarded and the residents are not overly impacted by their events.
