### Heroin Overdose Update (NARCAN)

#### Mollie Van Wagner Memorial Donations

As of to date, the total amount received is \$14,070. A total of 187.6 2-packs of Narcan (or 375.2 doses) were purchased with the donated funds.

From her father, Atty. Chris Van Wagner:

Bernie, this is easy. The MARI program is life-saving. The NARCAN program is life-saving. no police force in the country (to my knowledge, which grows daily) is doing as much as MPD. Thus, you have the family's explicit permission to use the excess funds in the way most calculated to save more lives.
