ALRC,

I met with Henry Doone on location at 120 E. Wilson on 3/30/2011. We discussed the operating plans for the Tempest Oyster Bar as well as plans for entertainment.

Henry advised that there are no plans for the acquisition of any entertainment licenses at this point in time nor for the foreseeable future. He indicated his focus was on being a restaurant. As the current location is under construction, Henry walked me through the proposed layout of the site.

I am comfortable with the business plan for this establishment and have no objections in its approval. Additionally, we discussed the 50/50 split and Henry advised he will operate as a restaurant at all times.

I would ask that the standard condition be added that the license meet the conditions of the definition of a restaurant as defined in Wis S.S. 254.61(5) and Madison city ordinance Chapter 38.
