

BPW Meeting July 20, 2011:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

9. Fish Hatchery Road Assessment District

All permits required for this project shall be acquired by Dane County.

10. University Ave Reconstruction

All permits required for this project shall be acquired by WisDOT.

42. Shenandoah Greenway

This project requires a Chapter 30 permit from the DNR for work along the bank of a navigable waterway and a permit for disturbing over an acre of land. The Chapter 30 permit has been received; the application for the other permit has been submitted and should be obtained shortly. **(Max Conway/Lisa Coleman, City Engineering)**
