Transportation Commission Members,

I am writing to request that the attached letter be included in the General Comment section of the agenda for the June 25th Transportation Commission meeting.

The letter outlines our neighborhood's serious and ongoing concerns regarding traffic safety on Williamson and Jenifer Streets, and includes specific requests for City action. I would appreciate it being entered into the public record as part of the meeting materials.

Thank you for your time and consideration.

Briant Novinska-Lois
Co-Chair, Transportation & Safety
Marquette Neighborhood Association
