Hello,

Regarding the transportation meeting on Nov 5, 2025 on resurfacing/redesigning Milwaukee St, agenda item # 90699, **I'm writing in favor of the proposed TWLTL option (design #1).** This area is becoming a denser, but still residential area west of Stoughton Rd, especially with the new development on the old Voit Farm. People speed heavily on Milwaukee St and I'm concerned the larger road option will encourage that more.

Thank you for the inclusion of a separated bike path on this road. This is and will be a very helpful connection as the bike network expands.

Thank you,  
-Rick Burke
