Mark, see changes below ...the entire resolution is located at:

<http://legistar.cityofmadison.com/detailreport/Reports/Temp/324200910382.pdf>

Ald. Satya Rhodes-Conway/Ald. Robbie Webber then submitted a motion to make some edits to Resolution ID 13815 (text changes shown in underline and ~~strikeout~~):

On page 2, modify the "Therefore Be It Resolved" clause. On line 2, insert "on a project-by-project basis" directly after the word "require".

On page 2, add a new "Be It Finally Resolved" clause, to read:

"BE IT FINALLY RESOLVED that staff should, when appropriate, work to improve methods of measuring vehicle miles of travel and the gathering of data at an increasingly fine scale."

On page 2, modify Objective 6 to insert the word "motor", and read - Objective 6: Create and maintain a City of interconnected, compact, mixed-use neighborhoods, districts, corridors and edges, which minimizes the need for motor vehicle use both within neighborhoods and across the city.

Also on page 2, modify Policy 3, delete "judge" and "an objective", and add text to read - Policy 3: Judge Evaluate proposals for new development against the goal ~~an objective~~ of reducing vehicle miles traveled per capita by 25 percent from 2005 to 2020.

On page 3, make the same basic changes to Policy 8, to read - Poljcy 8: Judge Evaluate proposals for transportation infrastructure against the goal ~~an objective~~ of reducing vehicle miles traveled per capita by 25 percent from 2005 to 2020.

The LRTPC then voted to recommend adoption of Resolution ID 13815 (as amended), on a vote of 8-2 (Sup. Melanie Hampton and Bob Schaefer voted "no") on a motion submitted by Ald. Satya Rhodes-Conway/Ald. Robbie Webber.
