Re: Letter of Adjacency Review for 636 W Washington Avenue

At its meeting on August 26, 2019, the Landmarks Commission reviewed, in accordance with the provisions of the Zoning code related to development adjacent to a landmark, the plans to construct a new building at 636 W Washington Avenue. The Landmarks Commission found that the proposed development is not so large or visually intrusive as to adversely affect the historic character and integrity of the adjoining landmarks.
