**RE: Olbrich Boat Launch Dredge – Contract 6250**

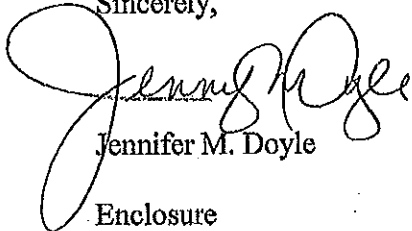

Dear Mr. Maglio:

After reviewing our bid for the above referenced project, GTD, Inc. along with urging of our bonding company believes that we need to withdraw our bid of \$64,111.30. We were more than 40% lower than the 2<sup>nd</sup> low bid of \$93,213.00. Upon further review of the project, estimator, Todd Meyer realized we would not break even if we attempted to do the project.

Enclosed are the payment/performance and contractual information. Please forward any additional information that the city requires to withdraw our bid. Please forward the certified check of 5% for bid deposit (*Three thousand two hundred and five and 37/100*) to our office.

Thank you for giving this matter your immediate attention.

Sincerely,

Jennifer M. Doyle
