**Subject:** Houseboat docked at Marshall Park 24x7 for months conducting business

Caution: This email was sent from an external source. Avoid unknown links and attachments.

Hello, After many conversations with the Park Rangers I'd like to ask if this subject can be at least mentioned at the Commission meeting on Wednesday. I live directly next to Marshall Park, 2141 Middleton Beach Rd. A huge houseboat has been conducting 'party' boat excursions at the PUBLIC pier for months now. The rangers are doing the best they can. Its quite obvious the many fines they are receiving mean nothing to them. They are docked there 24x7. They take a public pier and use it for their business purposes. They drive their large pickup trucks on the sidewalk to load and unload their house boat with supplies. This happens at all times during the day, but mainly on weekends. They've figured out a loop hole for jurisdiction and are abusing it.

I hope you'll consider collaborating with the DNR, Madison Police and Dane County Sheriff's office to enforce things. Thanks, Karen Christianson
