

BPW Meeting January 21, 2015

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

19. Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Park Paving 2015.

This project is for the construction or renovation of park improvements at various parks.

-Construction of an asphalt maintenance road around new synthetic field at Breese Stevens Field. This project will disturb over 4,000sf of land, which will require a City Engineering Erosion Control permit.
