Madison, WI 53703

Dear Mayor Cislewicz:

On behalf of the Northside Business Association (NBA), I would like to full endorse the development of the Cherokee Prairie Housing Project being planned by Independent Living, Inc. in our Northside community.

There are unique environmental/ecological challenges in the area chosen for development. The NBA believes the residents of the Northside, the City and Independent Living, Inc. will agree to a plan to meet or exceed these challenges.

There are many benefits to the Northside to see this facility built. It will provide the Northside much needed senior housing in addition to adding a significant number of full time jobs. The Northside community is close knit; many residents aspire to retiring on the Northside. This development will help meet this need. Cherokee Prairie Senior Housing project is a very positive development for the Northside Community.

Sincerely,

A handwritten signature in cursive script that reads "Mark Deadman".
