Dear Commissioners

I hope that this note finds you well. At tomorrow's meeting, Taco Loco is requesting a change in their application. As the alder for district 6, I am extremely concerned about any change in application without input by the neighborhood and the Marquette Neighborhood Association. I would at the very least expect a neighborhood meeting to discuss these changes. Please place this applicants request on file until such input from the neighborhood could be obtained.

Thanks for any considerations.

Best wishes and care

Brian Benford
