

**EMAIL RESPONSES RE ITEM 4 FROM INDIVIDUAL NEIGHORS:**

*These notes came in on 5/25/21 to [southmadisonunite@gmail.com](mailto:southmadisonunite@gmail.com) attached to people's request to add their name to the community's letter in support of Alternative 2, Item 4.*

I support Alternative 2 creating five parking stalls for Luna clients on Cedar street. The plan did not create adequate parking garage slots for both renters & shoppers in the site's main parking structure. Please add street level parking for grocery store.

Hello,

Yes, please add my name to support Alternative # 2 for more parking spaces at the proposed Luna's Grocery Store.

I would also like to see the designated sidewalks up to the store very user friendly for foot traffic, and for accommodations such as walkers, or motorized chairs, that a lot of folks from Romnes have and use to get to and from the store.

Pick N' Save was , is, not very user friendly for foot traffic business when people have to go in front of a driveway to get into the store.

The design must also think of the 3 - 4 months of winter for snow, as usual for Wisconsin. In essence, the store must be "Sconnie Ready," prior to opening the doors for business.

Parking can make or break a business.

Dear Alders Evers and Carter, and Transportation Commission,

Please add my name in favor of Alternative 2 under Item #4. The plans currently do not allow for enough parking to support the residents who will be living there, and those shopping for groceries.

Thank you,

Jody Derr, 833 S Shore Dr, Madison, WI 53715

Please add my name to Alternative 2 for increased street parking for the grocery store on Park St!

Yes, I can and will walk there (I don't even have a car) but I am thinking of all those who CANNOT - disabled, elderly, moms and dads with kids who need to cart a lot around, etc.

Please think of them!

Sincerely,  
Chris Wagner, 1009 High St., Madison, WI 53715

Hi,  
My address is not in south Madison, but I support this effort. People need access, in all senses of the word, to real food. End story.

Hate parking in ramps. Don't feel safe. Festival on East Washington has ramp parking. Hate it won't use.
