V. PERSONNEL ACTIONS

- A. The Transit Chief Maintenance Officer is subject to the Transit General Manager's supervision and is, during the term of this Agreement, subject to the Transit General Manager's authority to impose discipline on or to discharge the Transit Chief Maintenance Officer for a breach of this agreement if deemed necessary. The Transit Chief Maintenance Officer shall come to work and follow all applicable work rules including those designed to protect the interests and safety of the City, employees, and members of the general public. The City recognizes, however, that corrective action may be necessary if the Transit Chief Maintenance Officer fails to meet these expected standards. The purpose of any disciplinary action that the City takes is to correct behavior and is not intended to be merely a punitive action. Such disciplinary action shall be administered consistent with the accepted standards of just cause.

- B. The Transit Chief Maintenance Officer is expected to prepare an annual work plan for their Division. The Transit Chief Maintenance Officer shall be evaluated annually by the Transit General Manager to assess work performance. This evaluation shall include the establishment of departmental goals and an assessment of challenges and accomplishments. It may also involve soliciting input from other department/division heads, staff supervised by the Transit Chief Maintenance Officer, and/or Common Council Members.

VI. CITY OBLIGATIONS AND RIGHTS

The City shall provide staff, equipment, supplies and space that it deems reasonable, in its sole discretion, for the conduct of the work of the Transit Chief Maintenance Officer. The City retains the sole right to determine the organizational structure and overall functioning of the Transit Division.

VII. REOPENING THE AGREEMENT

Either party may request that the Agreement be reopened for renegotiation if or when the Transit Chief Maintenance Officer's duties or responsibilities change significantly. A "significant" change in the CMO's duties is defined as that degree of change in duties and responsibilities that would qualify a civil service position for reclassification pursuant to standard City personnel practices.

Factors which may be considered include the addition or deletion of duties, changes in Department services or the addition or deletion of programs. If there is no agreement, the original Agreement shall control and shall not be reopened. Agreement changes, if any, and any resulting reclassification of the position shall not be deemed the creation of a new position so as to require competition.

VIII. LIABILITY PROTECTION

The City shall defend and indemnify the Transit Chief Maintenance Officer against and for any and all demands, claims, suits, actions and legal proceedings brought against them in their official capacity or personally for acts performed within the scope of their employment to the extent and only to the extent authorized by the Wisconsin Statutes in effect at the time of the act complained of and as may be provided by any City insurance coverage for employees at such time.

IX. STATEMENT OF ECONOMIC INTERESTS

Pursuant to Madison General Ordinance §3.35 (the Ethics Code), the Transit Chief Maintenance Officer shall file a Statement of Economic Interests with the City Clerk within 14 days of their appointment. Each person required to file a Statement of Economic Interests shall annually file with the Clerk an updated Statement no later than April 30 of each year.

X. DOCUMENTS AND MATERIALS PROPERTY OF THE CITY

All of the documents, materials, files, reports, data and the like which the Transit Chief Maintenance Officer prepares or receives while this Agreement is in effect are the sole property of the City of Madison. The CMO will not publish any such materials or use them for any research or publication without attribution to the City other than as work performed pursuant to the terms of this Agreement.

XI. APPEARANCE BEFORE ANY CITY ENTITY FOLLOWING SEPARATION FROM EMPLOYMENT

The Transit Chief Maintenance Officer shall be subject to the provisions of Madison General Ordinance §3.35 (the Ethics Code).

XII. TERMINATION OF AGREEMENT

- A. The Transit Chief Maintenance Officer may unilaterally terminate this Agreement during its term. If the CMO unilaterally terminates this Agreement on less than forty-five (45) calendar days' notice in writing to the Mayor, the CMO shall forfeit all rights to recover the cash equivalent of accumulated sick leave, unused vacation leave, and all other future benefits. These forfeiture provisions shall not apply if the CMO retires from this position (upon qualifying for receipt of benefits pursuant to the Wisconsin Retirement Fund requirements). Upon expiration of this agreement or, if the CMO unilaterally terminates this agreement on forty-five (45) or more calendar days' notice in writing to the Mayor, the CMO shall have rights to be paid the cash equivalent of accumulated sick leave, unused vacation and all other future benefits accumulated at the time of the termination, as provided in Section 3 of this Agreement.
- B. The Transit Chief Maintenance Officer's discharge (as provided for in section 9 of the City of Madison Personnel Rules) during the term of this Agreement shall be deemed a breach of material provision of the Agreement. In the event of a discharge or other breach of a material provision of the Agreement by the Transit Chief Maintenance Officer, the CMO shall forfeit all compensation and benefits from the date of notification of the breach by the City. This action shall not impact the receipt of benefits earned during the total period of employment. In the event of an alleged breach of a material provision of this Agreement by either party, the concerned party shall notify the other party in writing within thirty (30) working days, which shall be followed by a meeting of the parties to resolve the alleged breach. In the event the issue is not resolved, the Transit Chief Maintenance Officer or the City may pursue contract remedies.
- C. The City retains the right, in its sole discretion, to abolish the position of Transit Chief Maintenance Officer or to reorganize as it deems in the best interest of the City. In the event the City abolishes the position of Transit Chief Maintenance Officer or reorganizes the Division to the extent that the position of Transit Chief Maintenance Officer is no longer required, this Agreement shall terminate and all rights, duties and obligations of the parties shall mutually end without recourse ninety (90) calendar days after final approval of such abolishment of position or reorganization by the Common Council, except as provided in Madison General Ordinance §3.35 (the Ethics Code).

XIII. NO ASSIGNMENT OR SUBCONTRACT

The Transit Chief Maintenance Officer shall not assign or subcontract any interest or obligation under this Agreement.

XIV. AMENDMENT

This Agreement shall be amended only by written Addendum to Agreement of the parties approved and authorized for execution in the same fashion as this original Agreement.

XV. NO WAIVER

No failure to exercise and no delay in exercising any right, power or remedy on either party's part shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or remedy preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

XVI. ENTIRE AGREEMENT

No agreements, oral or written, express or implied, have been made by either party hereto, except as expressly provided herein. All prior agreements and negotiations are superseded hereby. This Agreement and any duly executed addenda or amendments thereto constitute the entire Agreement between the parties hereto.

XVII. SEVERABILITY
