RE: Consideration of a request to rezone 726 Sugar Maple Lane from Temporary A (Agricultural District) to TR-P (Traditional Residential–Planned District); and approving a Certified Survey Map of 726 Sugar Maple Lane and 10201 Hazy Sky Parkway to create two lots in TR-P zoning, and one outlot for public sidewalk and path purposes (LNDCSM-2026-00005; ID 92007 and 91902).

Dear Dan and Brett,

On March 24, 2026, the Common Council **approved** rezoning 726 Sugar Maple Lane from Temporary A to TR-P and **conditionally approved** the Certified Survey Map to divide 726 Sugar Maple Lane and 10201 Hazy Sky Parkway into two residential lots and one outlot. The Plan Commission recommended approval of the rezoning and land division at its March 16, 2026 meeting.

The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

1. A Phase 1 environmental site assessment (per ASTM E1527-13), is required for lands dedicated to the City. Provide one (1) digital copy and staff review will determine if a Phase 2 ESA is also required. Submit report(s) to Environmental Review–environmentalreview@cityofmadison.com.
2. This property is not currently located within the Madison Metropolitan Sewerage District (MMSD) service area. This property will require a petition for annexation to the MMSD district by the Planning Division and there will be fees due for all properties within the lands that are annexed. Properties cannot connect to City sewer until the properties are included in the MMSD service area. [Note: The Planning Division will be submitting a request to annex the recently attached land to MMSD within the next 30 days.]
3. Each proposed lot shall have a separate sanitary sewer lateral.

4. Public infrastructure improvements adjacent to the lots created by the CSM will be constructed by the City under project number 15417. The applicant shall coordinate public sidewalk grades and public utility services serving the lots with the City project engineer. Information on the City project can be found the following link:
➔ www.cityofmadison.com/business/pw/contracts/details.cfm?ContractNumber=87999.
5. Madison-Pioneer-Midtown Central Urban Service Area Amendment fees will be due for this property.
6. This development is subject to impact fees for the Lower Badger Mill Creek Sanitary Sewer Impact Fee Districts (\$92.87/ 1,000 square feet). All impact fees are due and payable at the time building permits are issued per MGO Chapter 20.
7. This development is subject to impact fees for the Lower Badger Mill Creek Stormwater Management Impact Fee Districts (\$207.30/ 1,000 square feet). All impact fees are due and payable at the time building permits are issued per MGO Chapter 20.

*This transmittal is a separate requirement than the required submittals to Engineering Streets Section for design purposes. The title of each certificate shall be consistent with the ownership interest(s) reported in the most recent title report. If any of the land within the CSM boundary is under contract for sale or purchase, and said transfer will be conducted at the time of CSM recording, an escrow agreement may be necessary. Please discuss closing plans with ORES in advance of CSM signoff. When possible, the executed original hard stock recordable CSM shall be presented at the time of ORES final sign-off. If not, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing electronic signatures shall be provided to ORES to obtain final sign-off.

A title commitment may be provided, but will be considered only as supplementary information to the title report update. Surveyor shall update the CSM with the most recent information reported in the title update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.

Please contact a Real Estate Specialist with ORES to discuss the potential lease terms. Said leases are authorized by Resolution 13-00247 (ID 29183), adopted April 16, 2013.
36. Create notes that define the purpose of and the ownership of (whether public or private) all outlots. The note for an outlot dedicated to the public shall say: "Dedicated to the public for _____ purposes."
