Dear Alders of the City of Madison.....in regards to the proposal of the City Market on 1st st.

I as a 4th generation Madisonian (family paying taxes since the 1880's!!!!) I am very much against this waste of money on the city Market.

I will not produce a tax base. and is a misuse of the land it sits on. Better use would be a building similar to the one on First st and E.Wash.that would produce tax revenue. have the market on the ground floor it does not need a huge old garage for it's sales.

Please give serious consideration to NOT pushing this project forward, and if Madison needs more housing here is a great locale and on the new bus line..my what a NOVEL idea.
